C; Comment: The acidic and basic fibroblast growth factors are the major endothelial-cell
ell types in vitro (although bFGF is 30-100 times more potent than aFGF in stimulating to C; Comment: This protein binds heparin more strongly than does aFGF.

solution ibroblast growth factor 1 - rat acidic fibroblast growth factor 1
N;Alternate names: heparin-binding growth factor 1
C;Species: Rattus norvegicus (Norway rat)
C;Date: 28-Feb-1990 #sequence_revision 28-Feb-1990 #text_change 16-Jul-1999
C;Accession: Sol4147
R;Goodrich, S.P.; Yan, G.C.; Bahrenburg, K.; Mansson, P.E.
Nucleic Acids Res. 17, 2867, 1989
A;Title: The nucleotide sequence of rat heparin binding growth factor 1 (HBGF-1).
A;Reference number: Sol4147
A;Accession: Sol4147
A;Accession: Sol4147
A;Accession: Sol4147
A;Rolecule type: mRNA
A;Residues: 1-155 <GOO>

"Characterization of cDNA encoding basic fibroblast growth facto
re marsuplal Monodelphis domestica.";

DNA Cell Biol...3:549-554(1994).

-1- FUNCTION: THE HEPARIN-BINDING GROWTH FACTORS ARE ANGIOGENIC
IN VIVO AND ARE POTENT MITOGENS FOR A VARIETY OF CELL TYPES

VITRO. THERE ARE DIFFERENCES IN THE TISSUE DISTRIBUTION AND

CONCENTRATION OF THESE 2 GROWTH FACTORS.

-!- FUNCTION: MAY BE THE ENDOGENOUS RIDGE SIGNAL FOR LIMB DEVELOPMENT.

-:- FUNCTION: MAY BE THE ENDOGENOUS RIDGE SIGNAL FOR LIMB DEVELOPMENT.

RECIPPOCAL INTERACTIONS MAY CREATE A POSITIVE FEEDBACK LOOP

BETWEEN SONIC HEDGENOG (SHH) AND FGF4.

-!- TISSUE SPECIFICITY: POSTERIOR RIDGE.

-!- INDUCTION: BY RETINOIC ACID.

-!- SIMILARITY: BELONGS TO THE HEPARIN-BINDING GROWTH FACTORS FAMILY.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         Gallus gallus (Chicken).
